# 1st RESPONDERS

## 'May Your Courage Never Cease'

This is not an official publication of Saint Thomas Aquinas High School.

To fill a void Project Courage created this virtual 'Wall of Honor' to showcase STA alumni, teachers and staff who have served or are presently serving as 1st Responders. We accomplish this by ...

- Creating a virtual 'Wall of Honor' that recognizes all 1st Responder alumni who submit their information that includes basic info such as name, graduation year, service entity and years of service. Optional info such as photos, contact info and even brief biography are optional.
- Planning a 'Stand Up", a stand-alone event at a local establishment for alumni 1st Responders.

Here are some specific examples of how Catholic high schools have honored 1st Responder alumni:

- **Archbishop Stepinac High School** in New York holds an annual Joe Riverso Memorial Game to honor all alumni 1st Responders.
- **Bishop Guertin High School** in Nashua, New Hampshire, has a First Responders Club that provides students with opportunities to learn about and prepare for careers in first response.
- **Cardinal Gibbons High School** in Fort Lauderdale, Florida, hosts an annual First Responders Appreciation Day to honor local first responders and their families.
- **Cathedral Prep** in Erie, Pennsylvania, has a First Responders Appreciation Wall that recognizes alumni who have gone on to serve as police officers, firefighters, and EMTs.
- **Chaminade College Preparatory** in St. Louis, Missouri, holds an annual First Responders Mass to honor local first responders and their families.

To begin, here are the demographics of forty-two (42) 1st Responders that submitted forms as of October 18th, 2023:
